

Health care delivery and payment are changing... Are you ready?

The New Jersey Health Care Quality Institute and the New Jersey Innovation Institute, proven leaders specializing in quality improvement and health information technology, have partnered to offer hands-on support to clinicians as you navigate the changing health care landscape and pursue Alternative Payment Models.

Join the Transforming Clinical Practices Initiative to:

- Avoid upcoming penalties and maximize reimbursement rates
- Receive Personalized Coaching and Technical Support
- Gain Additional Revenue Generating Opportunities
- Participate in a Peer Learning Network

Who's eligible to join?

Includes PCPs,
Specialists, NPs, PAs
EMR in place (preferred)
No existing Medicare ACO or
MSSP contracts

TCPi will help providers organize their practice around three overall management functions to drive performance, quality, and business:

- Person and Family-Centered Care Design
- Continuous, Data-Driven Quality Improvement
- Sustainable Business Operations
