Join the Statewide Effort to Improve End-of-Life Care for New Jersey Residents

To honor [National Health Care Decisions Day](#) (April 16), COYL taskforces are holding multiple community signing events throughout New Jersey during the month of April. We invite everyone to attend and to participate in these events by signing their own advance directives.

We encourage the widespread sharing of this opportunity, especially to mayors and other local leaders, colleagues, community members, and organizations who are interested in improving end-of-life care in New Jersey. If you or your organization, would like to speak, publicly sign, and/or participate in a signing event, please contact Adelisa Perez at aperez@njhcqi.org. We especially encourage organizations with health care professionals to speak, publicly sign, and participate in these signing events.

Locations and dates:

1. **Atlantic County:**
 - April 24, 3 pm, Hammonton Library
2. **Bergen County:**
 - April 4, 4:30 pm, Berkley College - Paramus, NJ
