Health Care Policy 360: An executive education course with Rutgers University School of Management and Labor Relations that provides senior leaders with the critical concepts they need to maintain a competitive edge in the rapidly changing health care marketplace. This is a customizable program. Form 990, Part VI, Section B, Line 12c:

The Organization regularly and consistently monitors and enforces its conflict of interest policy by requiring all board of directors members, executive committee members, officers, committee members, and staff members to annually complete a detailed conflict of interest disclosure statement.

Form 990, Part VI, Section B, Line 15:

The process for determining the compensation of the President included review and approval by the Executive Committee, which serves as a compensation committee. The Committee used comparability data obtained from Guidestar 990s of other non-profit health care related organizations in making their decision. The agreement was contemporaneously documented in an employment contract. The President's contracted compensation of \$225,000 was increased to \$250,000 by the Board at January 1, 2018. There is also an employee performance bonus available at the board's discretion. Please note that as required by IRS regulations the salaries reported on both page 7 of the core Form 990 and the Schedule J are reported on a calendar year basis, and as such will differ from the fiscal year numbers.

The position of Vice President was created effective January 1, 2018. As this position does not include a contract or voting rights, the process for determining the compensation is similar to that of the other staff.

Specifically, the President & CEO reviews Guidestar 990 filings showing salaries of comparable roles within comparable organizations in New Jersey and regionally. All staff, including the Vice President, have agreed upon 3-5 goals set annually. The staff goals align with the Quality Institute organizational goals as well as program and grant deliverables. Each staff

Name of the organization NEW JERSEY HEALTH CARE OUALITY **Employer identification number** INSTITUTE, INC. 31-1530922 member, including the Vice President, has an annual review at which time performance is discussed as well as salary and an award, if any, of a performance payment based on both the employee's performance and the overall performance of the organization. Staff salary levels and performance awards are determined by the CEO & President and approved in the aggregate as part of the board's review and approval of the quarterly financial statements and annual budget. The Vice President's compensation was increased by 5% to \$110,250 at January 1, 2018 when the new title took effect. The Vice President also received a performance award at that time. Please note that as required by IRS regulations the salaries reported on page 7 of the core Form 990 are reported on a calendar year basis, and as such will differ from the fiscal year numbers.
