everyone.

Form 990, Part III, Line 4b, Program Service Accomplishments:

This grant that funded Medicaid 2.0 ended on September 30, 2018.

The Medicaid Policy Center (MPC)- is dedicated to advancing the quality, cost effectiveness, and long-term sustainability of the New Jersey Medicaid program to improve the health and wellness of New Jersey residents. The MPC delivers independent research, analysis and policy solutions to improve health outcomes while also controlling costs. It works in partnership with other organizations and the New Jersey Medicaid program. The supporting grant began on October 1, 2018.

The Leapfrog Group- is known for its Hospital and Ambulatory Surgery Center Safety Survey. The Quality Institute is the Leapfrog Regional Leader in New Jersey. As a result of the Quality Institute's work, New Jersey has a 100 percent participation rate on the Leapfrog Hospital Survey, which results in greater transparency on safety.

New Jersey Health Information Network- The Quality Institute is currently working with the New Jersey Department of Health (NJDOH) and the New Jersey Innovation Institute (NJII) to develop the New Jersey Health Information Network (NJHIN), which is a platform to support the sharing of health data in a protected way.

Conversation of Your Life (COYL) program- provides mayors and community partners with tools to develop a community conversation around end-of-life care planning in a culturally sensitive and accessible way. COYL now serves 14 counites in New Jersey

Form 990, Part VI, Section A, line 4:

The Organization amended their bylaws on 5/31/19 in order to update their mission statement. The new mission statement is disclosed in Part I line 1 and Part III line 1.

Form 990, Part VI, Section B, line 11b:

The Form 990 is reviewed in detail and approved by the Finance Committee. The form is then presented to the entire board for their review. It is then filed with the IRS.

Form 990, Part VI, Section B, Line 12c:

The Organization regularly and consistently monitors and enforces its conflict of interest policy by requiring all board of directors members, executive committee members, officers, committee members, and staff members to annually complete a detailed conflict of interest disclosure statement.

Form 990, Part VI, Section B, Line 15:

The process for determining the compensation of the President included review and approval by the Executive Committee, which serves as a compensation committee. The Committee used comparability data obtained from Guidestar 990s of other non-profit health care related organizations

in making their decision. The agreement was contemporaneously documented in an employment contract. The President's contracted compensation of \$254,000 was increased to \$262,500 by the Board at January 1, 2019. There is also an employee performance bonus available at the board's discretion. Please note that as required by IRS regulations the salaries reported on both page 7 of the core Form 990 and the Schedule J are reported on a calendar year basis, and as such will differ from the fiscal year numbers.

The position of Vice President was created effective January 1, 2018. As this position does not include a contract or voting rights, the process for determining the compensation is similar to that of the other staff. Specifically, the President & CEO reviews Guidestar 990 filings showing salaries of comparable roles within comparable organizations in New Jersey and regionally. All staff, including the Vice President, have agreed upon 3-5 goals set annually. The staff goals align with the Quality Institute organizational goals as well as program and grant deliverables. Each staff member, including the Vice President, has an annual review at which time performance is discussed as well as salary and an award, if any, of a performance payment based on both the employee's performance and the overall performance of the organization. Staff salary levels and performance awards are determined by the CEO & President and approved in the aggregate as part of the board's review and approval of the quarterly financial statements and annual budget. The Vice President's compensation was increased by 5% to \$115,763 at January 1, 2019 when the new title took effect. The Vice President also received a performance award at that time. Please note that as required by IRS regulations the salaries reported on page 7 of the core Form 990 are reported on a calendar year basis, and as such will differ from the fiscal year numbers.
