

## Supporting New Jerseyans in Need of Healthcare Coverage

If you recently lost your job, no longer have health insurance, or are just looking for health care coverage, you and your family may be eligible for no, or low-cost, health insurance.

### Are you eligible for NJ FamilyCare (Medicaid)?

**NJ FamilyCare Covers:** Children, pregnant women, parents and caretaker relatives, single adults and childless couples.

**Children 18 and Under** are eligible with higher incomes up to 355% of the Federal Poverty Level (FPL) (\$7,618 per month for a family of four). Parents still need to renew the coverage each year.

**Parents and Caretaker Relatives** with income up to 138% FPL (\$2,962 per month for a family of four) must have tax dependent children in their household in order to be eligible under this category. Dependent children in the household must be insured also.

**Adults Without Dependent Children** among ages 19-64 with incomes up to 138% FPL (\$1,437 a month for a single person and \$1,945 a month for a couple).

**Pregnant Women** up to 205% FPL (\$4,399 a month for a family of four).

## Understand More About NJ FamilyCare
