How To Get Medical Cannabis

- STEP 1** Obtain a reference number from your physician.
- STEP 2** Register online with the New Jersey Patient and Caregiver Registry.
<https://njmmp.nj.gov/njmmp/jsp/patientRegProcess.jsp>
- STEP 3** Pay for the application and medical cannabis ID card.
- STEP 4** Contact a state-licensed dispensary and purchase medical cannabis.

Medical Cannabis in New Jersey

Qualified New Jersey medical cannabis patients must register with the state patient registry to obtain a valid state-issued identification card from the Department of Health (NJDOH) Medicinal Cannabis Program.

A medical cannabis card allows New Jersey patients to legally purchase cannabis from state-licensed ATCs.
