

NJ Cohort 4 - Collaborative Learning Session 3 - July 2024

You will receive a handout after each collaborative learning session to provide a summary of key takeaways from the session and action items that should guide your work until your next TeamBirth Coaching Call.

For more information on the below items, review the session slides and resources on the Cohort 4 webpage: www.njhcqi.org/teambirthnj-cohort4 (Password: **Cohort42024!**).

Key Takeaways from the Learning Session

Shared Planning Tool & When to Huddle	We have reviewed all 4 core sections of the board and we will begin practicing Huddles. All patients should have an initial Huddle to establish norms as well as ongoing, planned, and as needed Huddles throughout care at key decision points or requests
Provide training & practice huddles	Establish staff knowledge for applying TeamBirth’s components Apply via practice scenarios with multidisciplinary groups
Conduct patient surveying	Collect first hand experiences of patients throughout implementation to inform opportunities for improvement and demonstrate impact
Assess your context	Surveying staff to understand your strengths and opportunities for improvement is essential Survey response goal: 60% of relevant leaders and front line staff

Action Items
