

NJ Cohort 4 - Collaborative Learning Session 4 - August 2024

You will receive a handout after each collaborative learning session to provide a summary of key takeaways from the session and action items that should guide your work until your next TeamBirth Coaching Call.

For more information on the below items, review the session slides and resources on the Cohort 4 webpage: www.njhccqi.org/teambirthnj-cohort4 (Password: **Cohort42024!**).

Key Takeaways from the Learning Session

Discussion & Support Guides	We have reviewed all 4 core sections of the board and we will begin practicing Huddles. All patients should have an initial Huddle to establish norms as well as ongoing, planned, and as needed Huddles throughout care at key decision points or requests
Test & Improve	Conduct small scale testing to create and improve the adapted TeamBirth components as well as implementation activities like training and patient surveying
Assess your context	Surveying staff to understand your strengths and opportunities for improvement is essential Survey response goal: 60% of relevant leaders and front line staff

Action Items
